

SCM FLORIDA

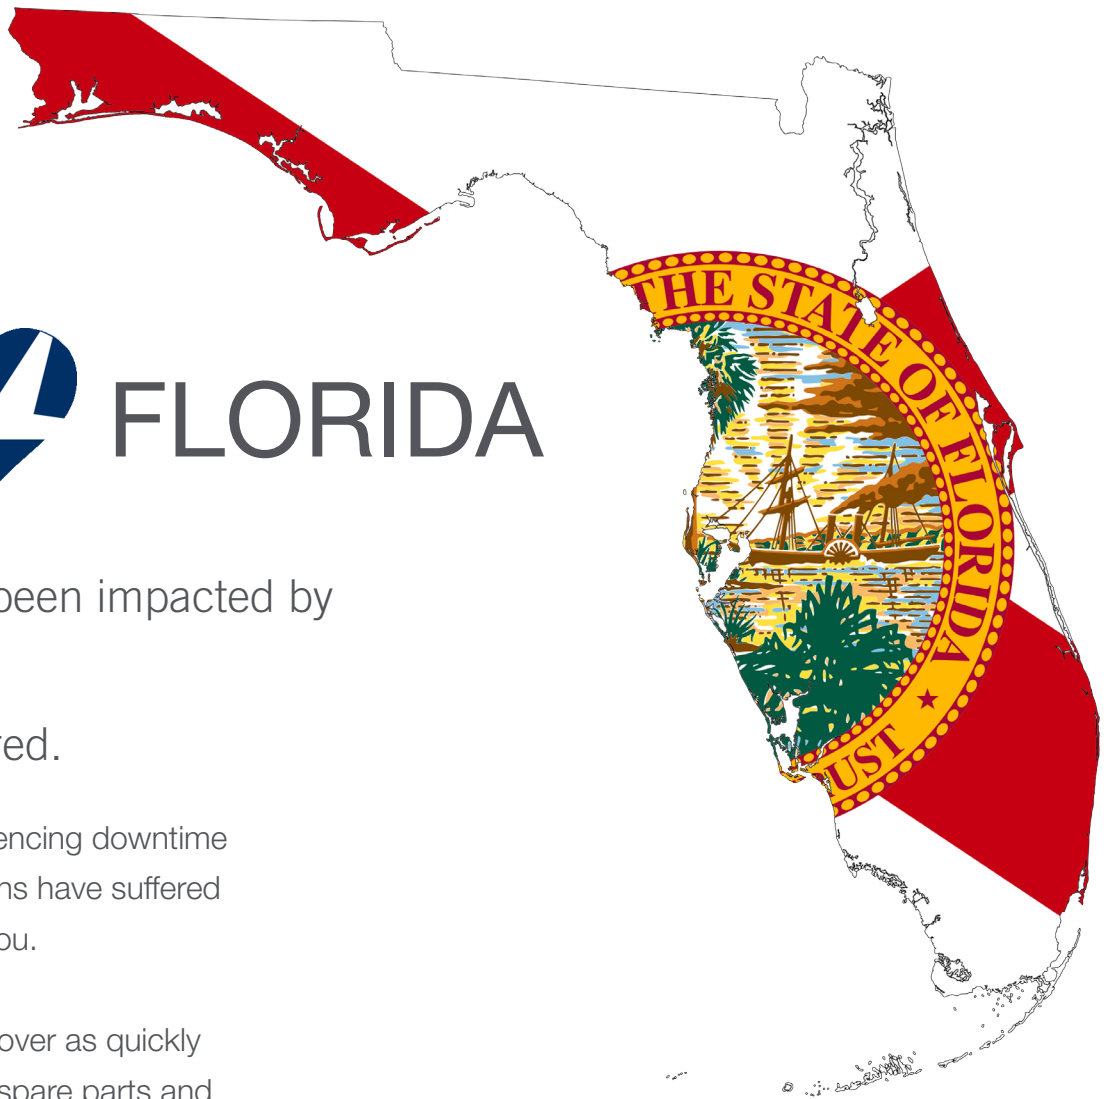

Has your business been impacted by Hurricane Irma?

We've got you covered.

If your machines are experiencing downtime and your business operations have suffered as a result, we're here for you.

SCM wants to help you recover as quickly as possible by offering any spare parts and service needed at our cost with payments postponed for 60 days.*

* Must be a current customer in good standing.
Doesn't include installations or other service activities scheduled before the storm.
